Healthcare Missions
and Ministry
Conference

March 19, 2009

Greetings:

On behalf of the **West Coast Healthcare Missions and Ministry Conference**, I am pleased to **invite you to exhibit** at our conference to be held at Fuller Theological Seminary in **Pasadena, California on September 18-19, 2009**.

We expect 500 people to attend this 2-day conference that is geared to meeting the educational and networking needs of healthcare professionals, mission pastors, parachurch workers, and students. Our goal is to provide education on how to minister to the whole person and their community locally and around the world. **Come to share what the Lord is doing** through you in healthcare missions and **present your ministry vision**, products, or services to people from around the country.

The **enclosed Exhibitor Guide** answers many questions about the conference. Everything related to registration, displaying, program schedule, and lodging can be accessed online at www.healthcaremissions.org.

Space is available on a first-come, first-served basis, so please respond promptly. Payment for space must be enclosed with your application, after which we will reply with a confirmation letter.

If you are **unable to attend the conference**, I would still like for you to consider promoting your company or organization through an alternative opportunity. The attendees' program has an advertisement section where you have the choice of placing a quarter-page, half-page, or full-page ad. Please see the application for pricing.

This invitation indicates our appreciation of your ministry focus. We hope you will take advantage of this opportunity to join us in Pasadena. If you have questions that are not answered in the enclosed sheet, please feel free to contact me via email or phone.

Sincerely,

Kristi Libby
Exhibitor Coordinator
